Art Camp Set Up

TODAY, Sunday, July 16, after service

We're excited Art Camp begins on Monday, July 17, with 40 kids and over 20 adult and youth volunteers! One more way we'd love to ask for our Restoration family to help is by staying behind for ~45 minutes right after Sunday service to help us set up our campers' art space. This will include moving chairs, laying down tarps, and rolling out tables.

Mobile App Launch

We are excited to introduce the new ResCom mobile app! You can download the app at rescom.churchtrac.com or by scanning the QR code on the right. Sign in using the email address we have on file for you to set up your account. If you cannot access it using your preferred email address, email office@rescom.church to update your email or ask for assistance.

Meals for Yoshi Hsu

We have extended the Care Calendar for Yoshi Hsu for the summer months. She will only need a simple meal *on Wednesdays*. Please sign up to provide her for a simple meal at www.carecalendar.org (Calendar ID: 309012, Security: 5139)

Building Update

At our congregational meeting on Sunday, we shared that the new building will be called the Annex. Please take a look at the congregational meeting slides linked in your Friday emails for more details. The final construction drawings have been completed by HT Design and will be submitted to the city of Maryland Heights for approval. Please pray that the city looks favorably upon the buildout and that there will be quick turnaround for approval of permits to begin construction.
